### **Archery Practice**

13/14 September, at Ravensdale site

The plan is to have a two-day archery practice, with the option to camp over. Heather wants to put up a notice on the Baronial Website, and will provide the information to Sheena as Webminister.

Coronet moved, Sheena seconded, that the notice go up on the Website. Passed.

### **BIA Bid:**

The vision is for a multi-day event at Canoe Cove Christian Camp in PEI, with the Baronial rattan championship, classes, dancing, maybe campfire, court maybe on Sunday.

The site has room for indoor or outdoor fighting, enough room for 100 feasters, bunks to sleep everyone, several buildings we can use, and lots of outdoor space. Some questions not yet answered because they haven't been able to tour the site.

We talked about the finances of the bid. With 50 paying adults, the event should come out \$275 in the black. Break even is about 41 people, about the same number who attended 12<sup>th</sup> Night in Summerside two years ago. No day fee possible because of the cost of the site.

Marion moved, Meagan seconded, that we approved the bid with the condition that the site confirms the cost and the date. Passed unanimously.

Meeting adjourned at 7:55 pm.
